

INDIA UNIKFLOORS LLP

WARRANTY DOCUMENT

WARRANTY COVERAGE:

India Unikfloors LLP warrants its flooring products to be free from defects in materials and workmanship under normal use and service for a period as mentioned in the Table from the date of purchase.

This warranty covers original purchaser of the product.

India Unikfloors LLP reserves the right to inspect any floor considered to be defective by the customer. Depending on the circumstances, India Unikfloors LLP will appoint a representative of the company and/or an independent inspector to conduct the inspection.

Below mentioned warranty serves to address specific concerns and provide assurance to customers regarding the quality and longevity of the flooring product. It's essential for customers to review the terms and conditions of the warranty carefully to understand what is covered and any limitations or exclusions that may apply.

- 1. Scope of Warranty:** This warranty covers defects such as major cracks, excessive warping, or other visible damage that occur under normal use and proper maintenance of the flooring. It does not cover damage resulting from improper installation, misuse, neglect, accidents, or any alterations to the product.
- 2. Limited Warranty:** A limited warranty typically covers specific defects in materials and workmanship for a predetermined period from the date of purchase. This type of warranty may have exclusions and limitations on coverage, such as excluding damage from improper installation or misuse.
- 3. Wear Warranty:** India Unikfloors LLP ensures that the installed product will not wear protective film during normal use. This warranty specifically covers wear and tear of the flooring surface over time. It may assure that the flooring will not wear through to the backing within a certain period under normal use and maintenance. *
- 4. Stain Warranty:** A stain warranty protects against staining of the flooring surface from common household substances, but it excludes the staining caused due to corrosive and non-corrosive chemicals. This type of warranty typically outlines what substances are covered and may have specific requirements for cleaning and maintenance.
- 5. Installation Warranty:** An installation warranty covers the quality of the installation workmanship performed by authorized installers. It ensures that the flooring will be installed according to manufacturer specifications, and it may provide remedies if installation-related issues arise.
- 6. Non-Transferable Warranty:** These warranties are non-transferable and only apply to the original end user.
- 7. Waterproof Warranty:** Flooring products of India Unikfloors LLP are waterproof and will not be damaged in the structure when exposed at normal levels. This warranty ensures that your floor will not permanently discolor from topical water or moisture**. Fading, reducing gloss over time is considered normal and is not covered by the terms of the warranty in this document.

*Wear-through is defined as complete loss of the wear layer so that the printed pattern or design is altered. Gloss reduction is not considered wear and is not covered by this warranty.
**Waterproof warranty applies to the India Unikfloors LLP product itself and does not extend to damage of the subfloor; and refers to topical moisture or topical water exposure. It does not cover moisture or water coming from below/underneath the product and does not cover flooding or intentional damage or misuse.

WHAT IS NOT COVERED BY THIS WARRANTY:
